2026 Southern Draw 3D Challenge

The IBO season kicked off with a return to South Carolina for the second year in a row. The event welcomed archers, including a special flight for parents, coaches, and alumni.

S.C. IBO Regional World Qualifier

Concurrently, our first Regional Qualifier of the year was held at the school. We had 80 Genesis/Adult Genesis shooters enjoying a fantastic event. The biggest question from everyone? "Where can we do more IBO!" Rodney Greathouse came from West Virginia to assist along with S.C. IBO member Michael Sudduth.

2026 IBO WINTER NATIONAL

The 2026 IBO Winter National took place at Clear Creek Golf Club in Bristol, Virginia, from March 13 - 15. The setup experience was quite contrasting: one day offered sunny skies with temperatures in the mid-80s, while the next brought sub-freezing conditions and snow! Despite the breezy tournament days, the weather was excellent for an IBO shoot.

The beautiful weather brought the shooters; we had 450 IBO members making their way to the ranges. Thank you to the entire staff at Clear Creek Golf Club for their dedication and warm hospitality. A special shoutout to the ladies in the IBO registration trailer. Their management of our new registration and scoring program helped make the first event a tremendous success. We appreciate everyone's patience throughout the process!
