Instructor Insurance Program

Members of the International Bowhunting Organization, Inc. (IBO) Instructor Insurance Program will automatically be enrolled in the organization's Errors and Omissions and General Liability insurance program upon acceptance of their application and payment of dues.

The General Liability part of the IBO Instructor Insurance Program package will pay those sums that the member becomes legally obligated to pay as damages because of bodily injury or property damage to which this coverage applies. The insuring company will have the right and duty to defend the member against any suit seeking those damages.
